Presenza raffinata e delicata luce diffusa caratterizzano la collezione Gioconda, tracciata da una lineare struttura decorata con sfere in vetro e rifinita da un fine paralume in tessuto. Una montatura sofisticata che ben si abbina ad ambienti classici e contemporanei.

Refined presence and delicate diffused light characterize the Gioconda collection, traced by a linear structure decorated with glass spheres and finished by a fine fabric diffuser.

A sophisticated frame that goes well with classic and contemporary settings.
