

## Sky-Fall, design by Studio Italia Design, 2014/2024

In *Sky-Fall*, the traditional glass processing techniques embrace the most advanced LED technologies. The shape of *Sky-Fall* captures the imagination in its reminiscence of ancient decanters in precious blown glass. Its function amazes thanks to the innovative double LED source that diffuses direct and indirect light. Available in two sizes and in four finishes, *Sky-Fall* decorates both when it is on and when it is off. Now added to the family is the new *Sky-Fall Round*: a further variant featuring a spherically shaped diffuser available in two sizes and four finishes, including the new, precious golden sage. The new finish also extends to *Sky-Fall* in both sizes.

In *Sky-Fall* le tradizionali tecniche di lavorazione del vetro abbracciano le tecnologie LED più avanzate. La forma di *Sky-Fall* emoziona ricordando antichi decanter in prezioso vetro soffiato. La sua funzione stupisce grazie all'innovativa doppia sorgente a LED che diffondono luce diretta e indiretta. Disponibile in due dimensioni e in quattro finiture, *Sky-Fall* arreda sia da accesa che da spenta. Si aggiunge ora alla famiglia la nuova *Sky-Fall Round*: un'ulteriore variante che presenta un diffusore dalla forma sferica disponibile in due dimensioni e quattro finiture, inclusa la nuova e preziosa golden sage (salvia dorata). La nuova finitura si estende anche a *Sky-Fall* in entrambe le misure.
