umbra

There is no shadow
without light.

Inspired by the relationship
between geometric
objects and their shadows,
the Umbra collection
features elegant pendants
in sophisticated detail.
Its metal plate derives
from the perfectly elliptical
shadow cast by a side-lit
ball, mirroring the colorful
mouth-blown crystal piece.

glass options

- smoke
- pink
- blue
- clear
- light grey

fitting options

- gold

The glass parts of Umbra are
mouth-blown thus the intensity
of color and gradient may
slightly vary.
