ACCESSORIO VELA  
VELA ACCESSORY

PICTURE

Dalla forza espressiva decisa, il suo segno grafico diventa una scultura che illumina e delizia. Fly è una lampada versatile che può essere utilizzata in diversi ambienti della casa, oppure in ambito commerciale e hospitality.

Il profilo luminoso di Fly, grazie all'accessorio "vela" può essere delicatamente ombreggiata da un diffusore tessile in cotone bianco o tessuto effetto marmo Calacatta. Fly Remote/Applique prevede una doppia emissione luminosa, diretta e indiretta.

Fly Picture è proposta nelle versioni da 60 cm e 90 cm di lunghezza, per rivestire superfici più ampie. Adatta per l'uso in bagno, sopra gli specchi, ha protezione IP44. La barra luminosa può essere inclinata da 0 a 70 gradi, per un'illuminazione personalizzata.

*A decisive statement, this lighting bar emits a line of brightness that illuminates and delights. Fly is a versatile lamp that can be used in different rooms of the house, or in the commercial and hospitality sectors.*

*Fly's light bar, thanks to the "vela" accessory, is delicately shaded by a textile diffuser in either white cotton or Calacatta marble-effect fabric. Fly Remote/Wall-mounted provides double light emission, direct and indirect.*

*Fly Picture is offered in the 60 cm and 90 cm length versions, to cover larger surfaces. Suitable for use in the bathroom, above mirrors, it has IP44 protection. The light bar can be angled from 0 to 70 degrees, for customised lighting.*
