

SOSPESI/GU10

Hanging lamp

Sospesi is a pendant lamp that exudes elegance and minimalist charm with its drop-shaped glass design, reminiscent of raindrops. While maintaining a decorative appeal, it also embodies simplicity. It is available in three different sizes: small, medium, and large. The medium and large sizes come with an E27 light source and an internal decorative cone in frosted glass, easily removable even after ceiling installation. The small size, on the other hand, is available with integrated LED light sources or GU10 bulbs and does not include the decorative cone. Sospesi offers versatile options to suit different lighting needs and styles, becoming a flexible and aesthetically pleasing lighting solution.
